Dear Sir/Madam

A453 Widening Scheme – Garrett Grove access arrangements during the Green Lane Junction works.

As you will be aware we are busy working on the A453 at Green Lane to create the new eastbound carriageway (into Nottingham) and the new roundabout junction.

There is a very tight section in the work area just outside Garrett Grove which is difficult to access but we have developed a programme of work which makes it possible.

To complete this phase of works we will need to slightly alter the route you take into and out of Garrett Grove over a period of 6 weeks. We do not envisage this affecting you too much but wanted to make you aware so you are more vigilant when undertaking your normal journeys over the coming 6 weeks.

Overleaf you will find four drawings showing the changes to the route in and out in four separate phases. We are unable to include dates for the changes as they will be dependent on the work phases however, your access will return to normal as per the final scheme in line with the completion of the Clifton Green works on April 20th.

Please have a look at the diagrams and should you have any queries please contact a member of our liaison team Claire Brough (Mon-Wed) 01322 738 122 or 07919110644 / cbrough@laingorourke.com, Luke Mitchell (Wed-Fri) 07468719005 / lmitchell@laingorourke.com or our night manager on Phil Everall on 07990510130.

Yours faithfully,

A453 Widening Site Team,
Urban Section

Keep in touch with the A453 Widening Scheme

Meet the A453 Team surgeries – Second Wednesday of the month at Clifton Village Hall 10am – 12pm and 5pm – 7pm and Clifton Cornerstone 1pm – 3pm.
