December 2014

A453 Widening Community News

Welcome to the 5th edition of our monthly newsletter

December on the A453 urban section

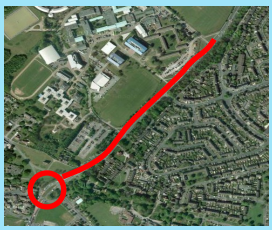

Here's a summary of the upcoming works.

Crusader Roundabout

Final footpath and carriageway works are currently ongoing, with final surfacing works to be started imminently.

Nottingham Trent Uni

Work commenced on 24th November to the "old" (westbound) carriageway. Traffic has been realigned onto the newly built (eastbound) side of the A453.

Please note: The project will break for Christmas between 22nd December 2014 and 4th January 2015.

Green Lane Junction

Works at Green Lane Junction are planned for completion March 2015. Works are currently ongoing through December to various locations within the junction, with a traffic alignment switch scheduled in January.

Farnborough Road Junction

This phase of Farnborough Junction traffic switch has now been completed which releases further works to the South East quadrant of the junction.

Anticipated completion date is March/April 2015.

For weekly updates: see our 'journey impact page' for the A453 Widening Scheme on the Highways Agency's website at highways.gov.uk

Meet the Team

Our open surgeries are an opportunity for you to meet a few of our team members, see the project plans and ask any questions you have.

Your next 'Meet the Team' day is:

Wed 10th Dec

10am-12pm: Clifton Green Village Hall

1pm -3pm: Clifton Cornerstone

5pm -7pm: Clifton Green Village Hall

Environment win!

Did you know we will be planting over 45,000 bulbs and 130,000 trees and shrubs across the scheme? Merry Christmas environment!!
