Assessment against Local Criteria

1. Age: 1913 vicarage
2. Historic value: associated with St Aidan's church. As a chapel-of-ease for St Leodegarius which is situated in the historic core of Old Basford, St Aidan's and the vicarage evidences the expansion of Basford to the east by 1900. Building a vicarage ten years later confirms the establishment of St Aidan's and the congregation.
3. Architectural value: A good quality brick building with Bulwell stone boundary wall and gateway.

Reason for Designation

A large vicarage with good quality design, showing the status of the vicar of St Aidan's church. Likely to have been a building well-known in the local community.
